

Redefining Custom Theater Seating

FORTUNY DELUXE

Features:

Fine European leather collection: 3 leather grades ranging 70 colors.
Extensive fabric collection, including like suede, velours, ...
Customer supplied leather or fabric option available.

Steel recline mechanism featuring our dual motorized or manual pneumatic relax function. The systems allows for the backrest and footrest to operate independently from one another.

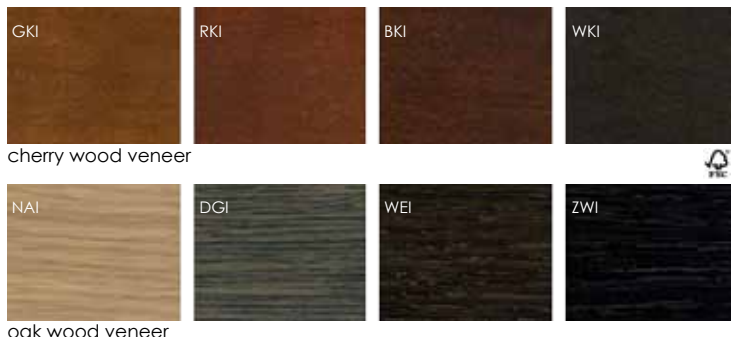

A black or silver/grey **push-button control** module is seamlessly integrated into the armrest for operation of relax mechanism. Featuring a reset button for easier exit.

Fully articulating headrest allows for desired viewing condition and proper head and neck support.

Hand-cut foam cushioning: high-density foam promises years of comfort and performance.

Custom made to order allows for vast range of personalization to fit individual home theater design and user requirements.

Wood veneer & color choices:

The following options and customizations are available:

- Contact closure and IR control of relax mechanism
- Battery pack for operation of relax mechanism
- Control console between seats
- Adjustments to firmness of foam
- Embroidery of logo, names, ...
- Custom seating dimensions
- Cupholders (any RAL color)
- Electronic lumbar support
- Tray for drinks, ...

Technical Dimenions:

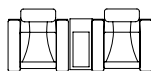

seating height: 43cm - 16.9"
seating depth: 50cm - 19.7"
backrest height from seat: 80cm - 31.5"

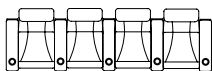

dimensions may vary due to leather, foam thickness and density, covering materials and position of reclining mechanism.
Allow for small deviations - especially for row configurations.
(maximum reclining position can be adjusted to affect the depth and height of the chair)

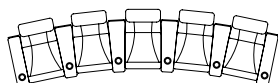

Seating Configurations:

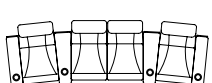

single seats with console

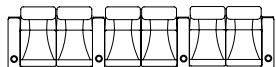

straight row

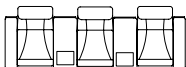

curved row

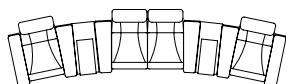

curved row with love seat

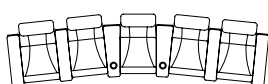

straight row with love seats

straight row with wide armrests & inlay tables

curved row configuration with console
featuring floating glass

mix of straight and curved armrests
