

Cine-F

the benchmark
for luxury seating

new
product

The F-Cine is a club chair that can be used in private cinemas, media rooms, living rooms and auditoriums. The chair features a slim design and its compact nature allows one to put this chair in areas where space, such as riser depth and width, are of concern. The chair can be configured in row configurations utilizing straight, curved or double wide armrests. Custom requests for backrest height, armrests width, etc. are available.

features:

Fine European leather collection: 4 leather grades ranging 70 colors. **Extensive fabric collection,** including suede, velours, chenille, ... Customer supplied leather or fabric option available.

Hand-cut foam cushioning: high-density foam promises years of comfort and performance.

Custom made to order allows for vast range of personalization to fit individual home theater design and user requirements.
