

the benchmark
for luxury seating

new
product

with DIAMOND STITCHING or no diamond stitching

This FERRIER version presents a unique approach in applying diamond stitching patterns to a home theater seat, while maintaining style and increasing comfort.

features:

Fine European leather collection: 4 leather grades ranging 70 colors. **Extensive fabric collection,** including suede, velours, chenille, ... Customer supplied leather or fabric option available.

Steel incline mechanism featuring our **single/dual motorized or manual pneumatic relax function.** The systems allows for the backrest and footrest to operate independently from one another.

A black or silver/grey **push-button control module** is seamlessly integrated into the armrest for operation of relax mechanism, featuring a reset button for easier exit.

Fully articulating headrest allows for desired viewing condition and proper head and neck support.

Hand-cut foam cushioning: high-density foam promises years of comfort and performance.

Custom made to order allows for vast range of personalization to fit individual home theater design and user requirements.
