

AVAILABLE VERSIONS

- Rotating chair – fixed with no recline, available with a low or high backrest.
- Rotating chair – available with a high-back, which can recline either manually or motorized (backrest only). This version also has a manual articulating headrest which allows the user to adjust the position of the headrest.
- Rotating chair – available with a high-back, which has a full relax/recline mechanism (backrest reclines and footrest extends). This version also has a manual articulating headrest which allows the user to adjust the position of the headrest.

UPHOLSTERY

A wide variety of luxurious leathers, exclusive designer fabrics or customer supplied upholstery (COM/COL). Our collection of luxury, top grain leathers and exclusive designer fabrics offer our customers a wide wide variety of upholstery options with endless colors, patterns, textures, etc. Perforation and embossing of leather is available upon request. Combined upholstery is available.

OPTIONS & ACCESSORIES

The LOCADO is available with a variety of different base options (round or spider) and in different finishes and colors. For the motorized version- we do offer a battery option to power the chairs.
