

**FORTUNY**

# FORTUNY

# FEATURES

## *Dual motorised mechanism*

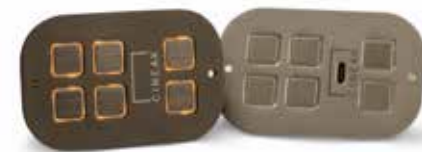

allows for the backrest and footrest to operate independently from one another to ensure maximum comfort for the user by fine-tuning their preferred seating position.

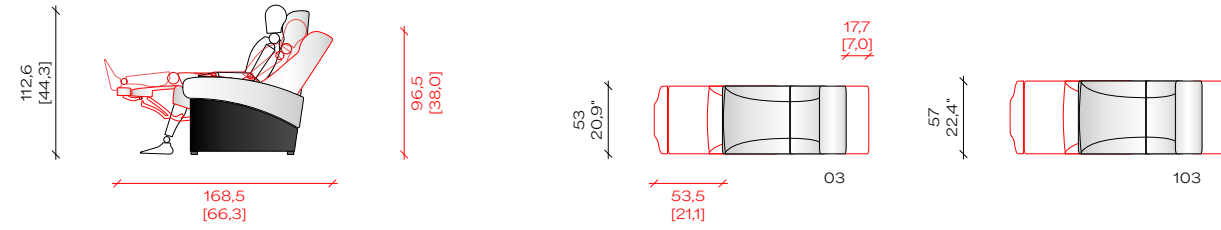

*Manual or motorized articulating headrest* allows the user to adjust the position of the headrest to the perfect viewing position and therefore offers proper head, lower back and neck support.

## *LED backlit keypads*

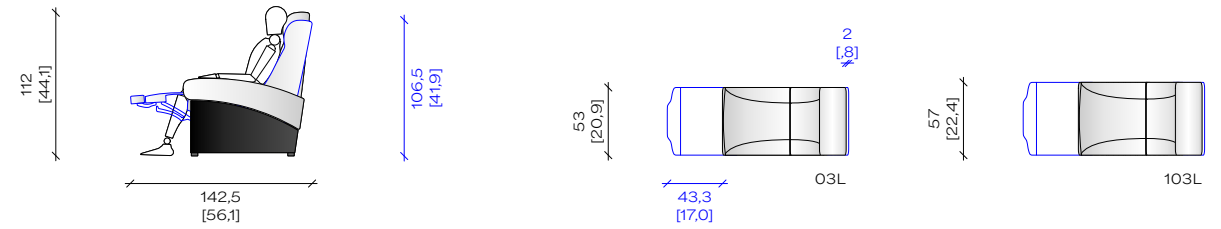

Control the motorized mechanism with programmable features (light intensity, timer, etc.), allows the user to have memory settings.

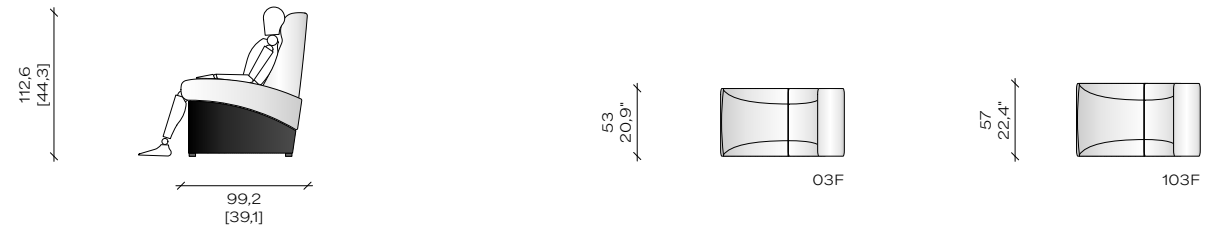

Relax Dual Motorised

Relax Single Motorised

Fixed
